or contact the ASI office for an application.

ASI is an equal opportunity provider and employer.

ABOUT THE PROGRAM

There is a large and continuing need for sheep shearers across the United States. Domestic shearers are becoming fewer and it is increasingly difficult to bring international shearers into the U.S. Seeing the need of more shearers for both large and small sheep operations, the ASI Wool Council has developed a grant program to incentivize the development of U.S. shearers.

This grant program will support developing shearers as they work to increase the quality of their shearing and the amount of sheep they are able to shear each day, thus working to build their income and longevity in the shearing industry. Additionally, as mentors provide developing shearers with education and an avenue to shear, thereby sharing their work and income, mentors may also be assisted.

ASI Wool Council has allocated \$15,000 for this program for fiscal year 2025. The grant will be given to ten developing shearers and/or mentors at \$1,500 each. Developing shearers will be paid \$500 once accepted and \$1,000 upon completion. Mentors will be paid \$1,500 upon completion. Developing shearers and mentors may apply jointly or separately; jointly is preferred. Priority will be given to developing shearers who meet the grant’s goals including those who show dedication to becoming a professional shearer.

WHO IS ELIGIBLE TO APPLY?

Developing U.S. shearers who have a supporting mentor and shearers serving as a mentor to developing shearers are eligible to apply.

- Applicants **MUST** be 16 years or older by January 1, 2025.
- Developing shearers should be able to shear at least 10 head of sheep per day. Developing shearers shearing 25-75 head per day and showing a commitment to working as a full-time shearer will be given priority.
- Mentors may manage a crew or be an individual shearer and must support the developing shearer by aiding them with shearing skills and techniques and by aiding them in finding work.
- Past grant recipients may apply.
